Dear Janet Baughman – David Kitchens,

I am the pastor of Emmanuel Baptist Church in Newnan, Georgia and I wanted to write and thank you for your efforts and success in rescuing us from a dilemma that another company had left us with when they failed to deliver on vans that we had reserved three months in advance. They have lost a customer and you have gained one!

Because of your success in getting vans to us, the week of June 9-14 was a great time for our young people who went to camp. Thank you so very much. I will be eternally grateful.

Sincerely,

Terry Arp, Pastor
